CSR at MIDHANI

MIDHANI Corporate Social Responsibility (CSR) is viewed as a way of conducting business, which enables the creation and distribution of wealth for the betterment of its stakeholders, through the implementation and integration of ethical systems and sustainable management practices. It gives opportunity to think about and evolve relationships with stakeholders for the common good and demonstrate their commitment in this regard by adoption of appropriate business processes and strategies. MIDHANI is committed to the well being of the society and its environs.

As a part of its social obligations and as a responsible corporate citizen Midhani has undertaken various CSR-projects in the field of Health, Education, Environment, Women Empowerment, Skill Development, for the benefit of different segments of the society especially the deprived and under privileged. "In tune with the vision of the company, Midhani through its C.S.R & Sustainability initiatives conduct business in a manner that is beneficial to both, business and society and will strive to enhance better quality of life in the community and society at large through social value creation by adoption of shared value approach to promote sustained growth." So far Midhani has taken up various projects in the above areas under CSR& Sustainability with following expenditure.
