

LIST OF OUTSOURCING JOBS :

- * Conversion of Forged & Machined Billets into Seamless Tubes.
- * Conversion of Forged & Ground Billets into wire rods.
- * Conversion of SS Bars into Closed Die Forgings.
- * Conversion of SS Billets into Rolled Bars.
- * Conversion of Slabs into Plates.
- * Conversion of Forged Stocks into Rings.
- * Conversion of Forged machined Blooms into Rings.
- * Grinding, Polishing and Protective Coating of Plates.
- * Machining of Shafts.
- * Machining of Hollow Bars.
- * Machining of Forged & Softened Billets.
- * Machining of Billets into Tubes.
- * Machining of Precision Fasteners.
- * Machining of ISO Thermal Die Castings.
- * Melting, Pouring and Casting of Steel Components.
- * Copper coating & spooling/cut to length of low alloy steel wires.
- * Sand Blasting, Grinding & Polishing of Plates.
- * Deep Hole Drilling, Heat Treatment & Machining of Forge Shafts.
