

QUALITY MONTH 2021

Dear MIDHANIANS,

The word "Quality" is synonymous with our company. It is a part of our working culture since its inception. Due to in-built culture of quality, our organization has made its prominent presence in Space, Defence, Aerospace, Nuclear and Strategic sectors.

This year the theme of Quality month is "*Sustainability: Improving our products, people and planet*". I feel this is the appropriate month where we should take stock of our working methods which affects our quality of delivery in the areas of products, services, human resources, finance and all other aspects. I appeal to all MIDHANIANS to take initiative in respective areas of their working, to improve the quality of performance in job assigned to them. Any incremental change by all of you is going to give a big impact on the performance of Organization. I am sure that the outcome of your contribution will drive our country to achieve *aatmanirbhar* in strategic materials.

Jai Hind

Dr. Sanjay Kumar Jha
Chairman & Managing Director
