INVITATION TO TENDER

OVERVIEW:

Mishra Dhatu Nigam Limited (MIDHANI), a Defence Public Sector company has been playing a very active role in development and manufacture of strategic materials for various sectors. MIDHANI is a unique integrated metallurgical plant located in Hyderabad, Telangana, INDIA. It has wide manufacturing facilities for manufacture of Special steels, Super alloys and Titanium alloys in various forms and sizes. Our annual turnover is about \$120mn. More information can be found on www.midhani-india.in. Further, MIDHANI has invested in several projects that are in pipeline. Few of them are 3000mm Wide Plate Mill, Skull Melting Furnace, Spring Manufacturing facilities are expected to be in operation in 2022.

1. OBJECTIVE:

Strategic partnerships are becoming a vital element of a company's growth strategy. In the globalizing economy, strategic partnerships are helping business pool knowledge resources and diversify their products. It is expected that strategic partnership will help in identifying-

- a. **New Customers** – Increased market share and market access and can participate in new supplier-vendor relationships.
- b. **Extended Products** – Product diversification as a result of collaboration to gain access to the materials, knowledge or market to extend products
- c. **Access New Technologies** – Partnerships are easy way to access new technologies without expanding resources.

This EOI is to solicit interested parties in the market to respond with a plan/objective to partner with MIDHANI in specific fields of their interest align with their available technology, infrastructure etc.

MIDHANI and Selected Partner(s) will sign a MoU and that is Specific field(s) of interest for mutual business development.
